Proverbs 22:6

Mission Statement

The mission of First Baptist Church Kindergarten of Laurens is to provide a Christian environment that focuses on the developmental progress of each unique child and encourages discovery in a classroom rich with play, Bible Stories, language, math, and science concepts.

Curriculum Goals

We strive to help each child grow spiritually, mentally, socially, physically and emotionally in a caring, Christian environment. Teachers use a variety of resources for lesson planning that are designed to be appropriate for the age level being taught. Children are encouraged to interact with the classroom environment through home living, blocks, art, music, language, math, science and manipulative. Our staff works hard to make sure that the foundations are in place to give children skills needed as more challenging and difficult work presents itself. Specific goals for each age are included with registration forms.*

Weekly Activities

Chapel is led by the ministerial staff and includes Bible lessons and music that relate to everyday life and help the children in their spiritual growth.

Music classes help children learn about rhythm, beat, instruments and music basics through a variety of Christian and classic songs. Our children also use this time to prepare for their Spring Art & Music Program.

Physical Education classes focus on large motor skills, balance, coordination and exercise through fun activities and games.
