DAILY SCHEDULE FOR STUDENTS

MMO, 2K, 3K, & 4K

8:15am – 8:30am _____ Arrival

12:15pm – 12:30pm _____ Dismissal

****All children must be picked up by the end of dismissal time each day or a fee of \$5.00 will be charged for each additional five (5) minutes after dismissal time. Please contact your child's teacher or the Director if your child is going to be picked up late.**

ARRIVAL & DISMISSAL

Students should be dropped off & picked up on the Sitgreaves St. side of the Church at the last set of doors (FLC). Please wait in line, in your car, and allow teachers to get your child out of the car during arrival and let them put your child in the car during dismissal. This makes for a smoother car line flow and an easier transition for the children.

TARDINESS

The first few minutes of class set the tone for the preschoolers day. If your child is tardy, it will be necessary for you to enter through the office doors, have the office staff let you into the kindergarten wing and walk them to their mom. There will be no teachers at the FLC doors after Arrival Time has ended.

INCLEMENT WEATHER

In the event of inclement weather, FBC Kindergarten follows the same procedures as Laurens District 55 Schools. 1 hour delay: Students report from 9:15-12:15 (drop off begins at 9:15, pick up begins at 12:15)

2 hour delay: Students report from 10:15-12:15 (drop off begins at 10:15, pick up begins at 12:15) Cancellation: FBCK Closed

Make-Up Days: To be determined by the Director and Weekday Education Committee (due to the design of our Kindergarten program and the number of classes and days offered, a decision will be made based on what day the cancellation affects and if a make-up day is necessary). If no make-up day is needed, the day will become a student holiday.

CONFERENCES

Parents are encouraged to visit your child's classroom: however, it is appreciated if you notify the Director or teacher when you will be visiting. If you need to discuss something with the teacher, we ask that you do that at the end of the school day or schedule a conference time. If you need to talk during the car line, please pull down to allow others to load or unload children. Parent-Teacher conferences may be scheduled throughout the year. All talks with the Director or teacher are to be with the parents only, not in the presence of the child.

RELEASING STUDENTS FROM SCHOOL/MESSAGES

For any change in the daily routine, parents are asked to write a note and place in your child's folder or call or text your child's teacher or the Director. For instance, if your child is to ride home with another parent, please write a note. We cannot depend on your child's interpretation of your instructions. Safety for the children in our program is of great concern to us. Our mutual cooperation will make this a stimulating and rewarding year for your child. Children are only released to adults authorized by parents on the Pick-Up Authorization Form.

INSURANCE

Accident insurance is required and already covered under the registration fee. It will cover the child during Kindergarten hours and on field trips.

CLOTHING

Students need to wear clothes that are comfortable, washable and appropriate for the season and the day. Unless it is raining or below 40 degrees you can assume your child will be outside to play during part of the day. Please help us identify your child's clothing by writing the child's name on his or her items (ex. coats, hats, gloves, etc.). Teachers cannot be responsible for locating misplaced or lost articles that are not labeled. We recommend a closed-toe shoe on the playground for safety and comfort while playing outside. You may

wish to send sneakers for outside play if your child is wearing sandals or flip flops in the building. 3K & 4K students are asked to wear sneakers on their PE day.

SHOW AND TELL

Sharing with others is an important part of the child's development. At the teacher's discretion, your child may bring educational toys and books to share with his/her classmates. Please encourage him to bring one item that will enhance the theme being studied. Clearly mark the item with the child's name please.

CURRICULUM

FBC Kindergarten is a Christian school. We place emphasis on helping a child develop spiritually, mentally, socially, and emotionally. Our teachers use a variety of resources for lesson planning that are designed to be appropriate for the age level being taught. Children are encouraged to interact with the classroom environment through home living, blocks, art, music, math, science and manipulatives. Our staff works hard to make sure that the foundations are in place to give children skills needed as more challenging and difficult work presents itself.

Your child's teacher will communicate with you through a weekly newsletter, monthly and/or yearly calendar about themes or activities. Check your child's book bag for this information. You can be involved in the learning process and reinforce at home what is happening at kindergarten.
