

The *Confident* Woman's Conference

Challenges women to shed the chains of insecurity and become the confident woman the Great I Am Says You Are.

Insecurity is epidemic among women in today's culture, but it is not incurable. There is a solution....

And in her powerful conference, Bible teacher Frankie Sherman, provides the only solution, - that our identity is in Christ, and our confidence comes from Him alone. If the Great I AM says, we are dearly loved, cherished, adored, and He delights in us, then we can become the confident women He designed us to be.

Each message is power packed to help women

- Discover how the Great I AM defines them
- Place their identity in Christ
- Delete the deceptions of a media driven culture, and
- Embrace the abundant life His Word promises

**"Blessed is the one who trusts in the Lord, whose confidence is in Him."
Jeremiah 17:7**
