***The First Students – A Deeper Look*  
 Wednesday Night Adult Bible Study  
 Beginning October 1<sup>st</sup>**

In conjunction with our Sunday morning worship series on the Twelve Disciples, we'll be spending Wednesday nights in October and November by revisiting some of the twelve for a deeper study of their story as told in the gospels. Likewise, we'll add to the 12 Disciples by looking at a few of the other prominent figures mentioned in the gospels who were among Jesus' original followers. Over the two months we'll focus more on Peter, James & John and Judas among the disciples as well as Martha & Mary, Mary Magdalene and Nicodemus from among the other early students of Jesus. Each week we'll focus on one figure and the passages connected to them.
