PARKING AT FBC

First of all we want to celebrate your faithfulness to being present on Sundays at FBC. At the same time, increased attendance causes parking problems and we ask for your help in two very significant ways: **First**, if you are able, we ask you to park further away from the building in order to allow our older and physically challenged members and guests to be able to park nearest to our facilities. **Second**, if you park at First Citizens Bank, we ask that you not block the night deposit or the ATM. First Citizens is very gracious to allow us to use their lot, but, we need to respect their customers' rights to access the ATM and Drive Through lanes. Thanks in advance for your cooperation.

Graduate Recognition Sunday is May 18, 2014

During the service, we will recognize our high school graduates. If you have someone graduating from college or obtaining a post graduate degree, please let us know so we can publish their information in that Sunday's bulletin.

In *Jonah's Druthers*, we're re-telling a true story from the Bible about a man named Jonah, but we're having some fun with it by setting our version of the story in the Wild West. Don't miss this production!
