**Calvin Miller's Loving God Upclose: Rekindling Your Relationship with The Holy Spirit
Summer Wednesday Morning Bible Study
June 10 - August 12**

This summer, we will continue our practice in recent years of having a Midweek Bible study time. Having said that, we are going to try mornings this year rather than midday. Our hope is that this will allow you to move ahead with your day once we have finished and that it will be easier on many schedules. We will meet in Bobo Hall from 8am-9am. Each week, coffee and light breakfast items will be provided. Copies of the book that we will use will also be available for purchase on the morning of June 10th which will be our first session together.

Our book for the summer is Calvin Miller's Loving God Upclose. Before his death a couple of years ago, Miller was one of the most beloved pastors and authors in Baptist life. Known for his stories, humor and accessibility, Miller helps makes complex subjects understandable. This makes this book on the role of The Holy Spirit in our daily lives well worth our time. Consider joining us for this unique summer opportunity.

**Literacy Mission Trip - Marfa, Texas
August 2-5**

We are offering a literacy mission trip to Marfa, Texas which is located in one of the twenty poorest US Counties. We will be working with the local school system there to help children and their families through providing a two day reading camp. The camp will include the building of book cases, the opportunity for children to learn good reading skills and the chance for them to receive books including books about faith. We will be working not only with the school system in Marfa but also with Literacy Connexus which is a Texas Baptist Ministry focused on connecting faith with literacy needs. The trip is open to no more than 10 participants. The anticipated cost covering travel, lodging and most meals is \$750. To register or for more information, please contact Rickey Letson or Tommy Cox. The deadline to express your interest is Tuesday, June 30th.

If you have someone in your family who is graduating from college or obtaining an advanced degree, please let us know so that we can list their names in the bulletin on Graduate Recognition Sunday. You can use the pew pads on Sunday or email tana@fbclaurens.org.
