## All Activities continue to be **SUSPENDED** AT FBC LAURENS

Visit our website at [www.fbclaurens.org](http://www.fbclaurens.org) to watch the worship service with your family each week.

Don't forget to print the "sermon notes" page for your child(ren)! This is a fun way to keep them engaged and focused during the message!

Find a special time to have a "family devotional" each week. Fill this time together with family making memories from home!
