Dear Parents & Grandparents,

I am SO excited to have **THE WILDLIFE GEEKS** join us on our last Wednesday night together for the school year in the **Craft Room!** I hope you'll be able to join us for this FUN event! The Wildlife Geek is very interactive, so age groups have been split. Please read thoroughly, so that you know the specific details...

Our preschoolers (birth to 5K), will enjoy The Wildlife Geek from **5-6pm**. I know this is early, but I hope with this advance notice, you can make plans to be here! **A parent or grandparent should plan to attend with the child.**

Our 1st-5th graders will come from **6-7pm**.

If you attend an Adult Bible Study on Wednesday's, I will have childcare available from 6-7pm for our preschoolers. For planning purposes, **please sign up with Elizabeth if you need this.**

Can't wait! ~Elizabeth
