We have so many families that have been worshipping with us and have been involved in many of our ministry areas for so long! We know this is a big place and quite often, can feel overwhelming. If this is you and you are interested in learning exactly what it means to *join* our church in addition to all of the many things we offer, we extend a warm invitation for you to join us for lunch on Sunday, January 21, immediately following worship. Bring your whole family! This will be an informal time to hear from our ministerial team as they share about their particular ministry areas. If you would like to sign up, feel free to let Elizabeth know or call the church office at 984-7500. We would love to have you!
